

## Evil Ways by Santana

1) You got to change your evil ways, baby

Before I stop loving you You got to change, baby

And every word that I say is true

You got me runnin' and hidin' All over town

You got me speakin' and believin' And runnin' you down

E

This can't go on Lord knows you got to change, baby

2) When I come home, baby My house is dark and my thoughts are cold

You hang around, baby With Trina, Joan and a who knows who

I'm getting tired of waiting and fooling around

Go find somebody that won't make you feel like a clown

E

This can't go on Lord knows you got to change

Repeat last verse
