

Stereo Hearts by Gym Class Heroes

Em C G
My heart's a stereo
D Em
It beats for you, so listen close
C G D
Hear my thoughts in every note, oh oh.
Em C G
Make me your radio
D Em
Turn me up when you feel low
C G
This melody was meant for you
D
Just sing along to my stereo (pause)

[Travie McCoy]

Em C
If I was just another dusty record on the shelf
G D
Would you blow me off and play me like everybody else?
Em C
If I asked you to scratch my back, could you manage that?
G D
Like it read well, check it Travie, I can handle that
Em C
Furthermore, I apologize for any skipping tracks
G D
It's just the last girl that played me left a couple cracks
Em C
I used to used to used to used to, now I'm over that
G D
Cause holding grudges over love is ancient artifacts
Em C
If I could only find a note to make you understand
G D
I'd sing it softly in your ear and grab you by the hand
Em C
Just keep it stuck inside your head, like your favorite tune
G D
And know my heart's a stereo that only plays for you

[Chorus]

Em C G
My heart's a stereo
D Em

Em C
If I was an old-school fifty pound boombox
G D
Would you hold me on your shoulder, wherever you walk
Em C
Would you turn my volume up in front of the cops
G D
And crank it higher everytime they told you to stop
Em C
And all I ask is that you don't get mad at me
G D
When you have to purchase mad D batteries
Em C
Appreciate every mixtape your friends make
G D
You never know we come and go like on the interstate
Em C
I think I finally found a note to make you understand
G D
If you can hit it, sing along and take me by the hand
Em C
Just keep me stuck inside your head, like your favorite tune
G D
You know my heart's a stereo that only plays for you
