

## Graham Cracker Crust Recipe

8 whole graham crackers (about 1 1/4 c. crumbs)

3 T. butter or margarine, melted

1/4 c. sugar (optional)

*I don't add sugar because I think the crackers are sweet enough.*

Preheat oven to 350 degrees F

Process the graham crackers in a food processor & then add the butter and process a little longer.

Press firmly in the bottom of a 9-inch spring pan or a 9-inch pie tin.

Bake for 10 minutes in pre heated oven. Cool completely before filling.
